I am waiting on STARTs estimate...but here is my estimate-

I would estimate two helicopters for 7 days at 8 hrs a day

Cost for helicopter for one day(8 hrs/800 an hour) is 7K

Total Cost= 14K per day

START=2.5K per day

EPA=1k per day

ASPECT cost

10.5K a day, should take 5-7 days for survey

Steve,

Could you give me a call when you get a chance. I would like to discuss Rapid Needs Assessment

Thanks,

Buck
